

NSBE
NATIONAL SOCIETY OF BLACK ENGINEERS
HOUSTON PROFESSIONALS

SCHOLARSHIP GALA SPONSORSHIP |

2019-2020

About Us

NSBE Houston Professionals (NSBE HP), a 501 (c)(3) nonprofit organization, was founded in April 1988 and has dedicated itself to the development of programs that will aid in the professional development of African American and other ethnic minority professionals, in the field of engineering and engineering technology. These programs will serve to strengthen relationships between the professional industry and the African American community. With a reach of over 1500 professionals in Houston, employed in various sectors including oil & gas, aerospace, design and consulting, information technology, and healthcare within Fortune 500 companies, our members represent the best of Houston's diverse STEM professionals. As an organization, our goal is to promote technical expertise, professionalism, and fellowship amongst studying and practicing engineers and technical professionals.

As a great outlet for community involvement, we provide our members with an avenue to directly impact their surrounding community. Within the past year, NSBE HP has awarded \$40,000 in scholarships to deserving high school and collegiate students, hosted numerous professional development events, and contributed over 1000 volunteer hours directly impacting the local Houston community and surrounding areas. We are proud that our impact to the community and distinguished members have been recognized nationally by NSBE. Our chapter has been the recipient of the 2013, 2014, 2015 and 2017 Region V Chapter of the Year Award, along with being awarded the 2014, 2016, and 2017 Pre-Collegiate Initiative Chapter of the Year Award and the 2016-2017 Region V Member of the Year Award. Our chapter works diligently to ensure that we fulfill our mission statement, by helping minorities in STEM fields excel academically, succeed professionally, and positively impact the community.

The success of our numerous events and initiatives would not be possible without the financial support of our world class sponsors. To our returning partners, we say thank you! To our future partners, we say welcome! We look forward to a lasting and mutually beneficial relationship as well as the great things we will achieve together.

Vision

We seek to create a world in which engineering is a mainstream word in homes and communities of color, and all students can envision themselves as engineers. In this world we envision, African Americans exceed parity in entering engineering fields, accomplishing professional success, and making valuable contributions to society.

Mission

The mission of the National Society of Black Engineers (NSBE) is:

To increase the number of culturally responsible black engineers who excel academically, succeed professionally, and positively impact the community.

Impact

For the 2019-2020 year, NSBE HP intends to build upon past accomplishments and continue to achieve with the help of our devoted members and partners. The Houston Professionals chapter is committed to serving our community, developing our professionals, and the continued mentorship of our youth. This commitment is made evident in the numerous awards and recognition the chapter has received.

- 2013, 2014, 2015 and 2017 Region V Chapter of the Year Award
- 2014, 2016, and 2017 Pre-Collegiate Initiative Chapter of the Year Award
- 2016-2017 Region V Member of the Year Award

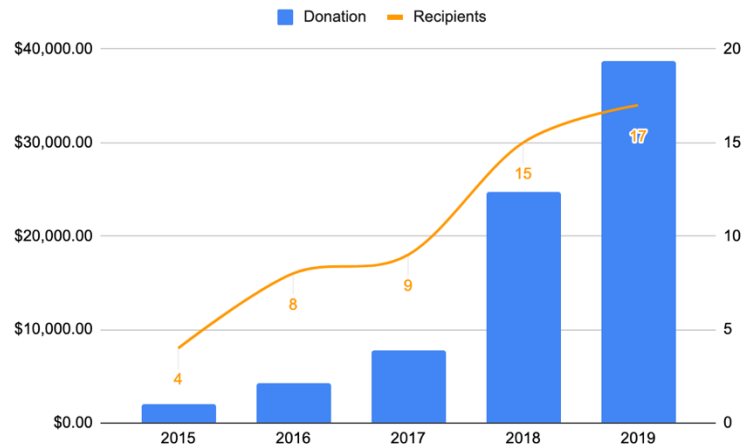

NSBE Houston Professionals Objectives:

- Develop the technical, leadership, and professional skills of our members.
- Encourage members to seek advanced degrees and to obtain/maintain professional engineering certification.
- Encourage and advise minority youth in their pursuit of an engineering career.
- Stimulate and develop student interest in the various engineering disciplines.
- Strive to increase the number of minorities studying engineering at both undergraduate and graduate levels.
- Improve college recruitment, retention, graduation, and ultimate success of professional engineers by establishing strategic alliances among minorities.
- Provide networking opportunities between members and other professional organizations.

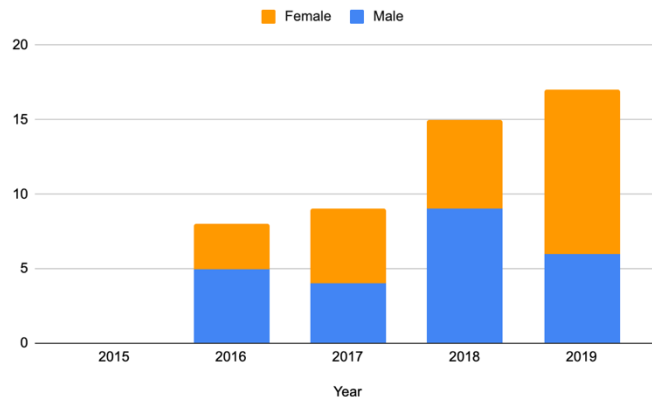

Annual Scholarship & Awards Gala

\$40,000

To encourage and celebrate the success of students pursuing STEM degrees and professionals furthering the development in the workplace, as well as highlight the participation of our members and give thanks to our corporate sponsors, every spring, the NSBE Houston Professionals chapter hosts its Annual Scholarship & Awards Gala. This gala provides corporations & membership the opportunity to make a lasting impact on these deserving high school seniors, collegiate students and young professionals, while promoting the importance of diversity in the workplace and academic excellence on the university campus and beyond.

NSBE Houston Professionals has organized a competitive scholarship opportunity for the past 22 years giving approximately \$115,000 in direct support within Houston.

This program has shown consistent growth in recent years, with the last two years alone surpassing the previous 20 to a combined \$64,000 award to 32 students. This is due to our generous partners and dedicated efforts on behalf of NSBE members.

In an effort to continue to signature event NSBE HP is looking to secure sponsorships & donors to partner with us in our efforts to host.
